the voice
of restaurant
people

When was the last time you told a Spanish-speaking staff member, “*Muy Bien Hecho!*” For those who know what that means, you’re on the right path. For those who do not, it’s time to pick up *Spanglish Unlimited’s Kitchen and Restaurant Pocket Dictionary*. The small, laminated reference guide has compiled essential words, sentences and phrases to help kitchen communication. From numbers and ingredients, to chemicals and compliments, the dictionary can improve employee effectiveness for both Spanish and English speaking staff members. So go ahead, say, “Very Well Done!” (*Spanglish Unlimited, 2001, \$25.00*)
